Business Strategies for
Social Impact

Jul 29, 2021

TUSHAR SINGHANIYA

has successfully completed the online, non-credit Specialization

Business Strategies for A Better World

This learner has successfully completed the following four courses: Global Trends for Business & Society, Business Strategies for Social Impact, Corruption, and Social Entrepreneurship, and has learned the core skills necessary to effectively apply business strategies to real-world problems to create measurable social impact around the world. The online course named in this certificate may draw on material from courses taught on-campus, but it is not equivalent to an on-campus course. Participation in this online course does not constitute enrollment at the University of Pennsylvania. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
